## Representative Mike Cronk

### CSHB-69 (DC&RA) Section Analysis

#### **Section 1.**

Establishes eligibility for automatic reclassification of 1st Class Cities. When a 1<sup>st</sup> Class City population drops below 400 residents as verified in the latest U.S. Census, that city may request a reclassification.

Once a request is made to the Local Boundary Commission the Commission has 30 days to verify and notify the city is eligible for reclassification.

After being notified by the Local Boundary Commission of eligibility the city has 30 days to reject the option of reclassification.

If the city rejects the reclassification it is not allowed to reapply for one year.

#### **Section2.**

Establishes a 2-year sunset clause.

#### **Section 3.**

Establishes an immediate effective date.
