**CS FOR HOUSE BILL NO. 162( )**

IN THE LEGISLATURE OF THE STATE OF ALASKA  
THIRTY-FOURTH LEGISLATURE - SECOND SESSION

**BY**

**Offered:  
Referred:**

**Sponsor(s): REPRESENTATIVE DIBERT**

**A BILL**

**FOR AN ACT ENTITLED**

1 **"An Act relating to the diagnosis, maintenance, and repair of consumer products that**  
2 **use digital electronics to operate; adding an unlawful act to the Alaska Unfair Trade**  
3 **Practices and Consumer Protection Act; and providing for an effective date."**

4 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

5 \* **Section 1.** The uncodified law of the State of Alaska is amended by adding a new section  
6 to read:

7 SHORT TITLE. This Act may be known as the Consumer Digital Right to Repair Act.

8 \* **Sec. 2.** AS 45.45 is amended by adding new sections to read:

9 **Article 12A. Digital Product Diagnosis, Maintenance, and Repair.**

10 **Sec. 45.45.800. Digital product diagnosis, maintenance, and repair.** (a) A  
11 digital product manufacturer shall, as required under AS 45.45.800 - 45.45.899, make  
12 available to an independent service provider or owner of a digital product  
13 manufactured, sold, or leased by or on behalf of the manufacturer any documentation,  
14 parts, and tools provided to an authorized service provider for the diagnosis,

1 maintenance, or repair of the digital product.

2 (b) The documentation, parts, and tools made available under (a) of this  
3 section must include any changes made by the digital product manufacturer to update,  
4 fix, or improve a computer program, including the program's data, or firmware used in  
5 the product or part.

6 **Sec. 45.45.810. Security features.** If a digital product contains an electronic  
7 security lock or other security-related feature that is disabled during the diagnosis,  
8 maintenance, or repair of the product, the digital product manufacturer shall make  
9 available to the independent service provider or owner of the product the  
10 documentation, parts, and tools necessary to reset the security-related feature. The  
11 manufacturer may use appropriate secure release systems to make the documentation,  
12 parts, and tools available.

13 **Sec. 45.45.820. Parts pairing prohibited.** (a) A digital product manufacturer  
14 may not use parts pairing software or another technology that

15 (1) prevents or inhibits an independent service provider or owner of a  
16 digital product from installing and enabling a functional replacement part or  
17 component that the digital product manufacturer has not approved; and

18 (2) if a functional replacement part or component for a digital product  
19 that has not been approved by the digital product manufacturer is installed or  
20 otherwise enabled,

21 (A) reduces the functionality or performance of the product; or

22 (B) causes the product to display misleading alerts or warnings

23 that the owner cannot immediately dismiss.

24 (b) Nothing in this section requires a digital product manufacturer to make  
25 available to a person special documentation, tools, parts, electronic programs, or other  
26 devices that disable or override anti-theft or privacy security measures that are  
27 activated, installed, or otherwise enabled by an owner of a digital product.

28 (c) If a requirement under this section is preempted by federal law, this section  
29 shall be construed to regulate all activity that is not preempted.

30 **Sec. 45.45.830. Unavailable parts.** A digital product manufacturer is not  
31 required to make a part available under AS 45.45.800 - 45.45.899 if the part is no

1 longer available to the manufacturer.

2 **Sec. 45.45.840. Terms of providing documentation, parts, and tools.** (a)

3 Except as provided in (b) of this section, a digital product manufacturer shall make  
4 available to an independent service provider or owner of the product

5 (1) documentation required under AS 45.45.800 - 45.45.899 without  
6 charge, except that, if the provider or owner requests a physical copy of the  
7 documentation, the manufacturer may charge the provider or owner for the reasonable,  
8 actual cost of preparing and sending a copy of the documentation;

9 (2) parts required under AS 45.45.800 - 45.45.899, directly or through  
10 an authorized service provider, on terms that are the same as the most favorable terms  
11 the manufacturer provides to an authorized service provider of the manufacturer;

12 (3) the tools required under AS 45.45.800 - 45.45.899 without

13 (A) charge, except that, if the provider or owner requests a tool  
14 in physical form, the manufacturer may charge the provider or owner for the  
15 reasonable, actual costs of producing, preparing, and sending the tool;

16 (B) impeding access or use of the tool to diagnose, maintain, or  
17 repair and enable full functionality of the digital product; and

18 (C) impeding the efficient and cost-effective use of the  
19 diagnostic, maintenance, or repair functions of the tool.

20 (b) A digital product manufacturer may not charge an independent service  
21 provider or an owner a price that is greater than the price the manufacturer charges its  
22 authorized service provider, after discounts, rebates, and other incentive programs, to  
23 make the same documentation, part, or tool available.

24 **Sec. 45.45.850. Independent service provider.** A person is considered to be  
25 an independent service provider under AS 45.45.800 - 45.45.899 if the person

26 (1) engages in the business of diagnosis, maintenance, or repair of  
27 digital products in the state; and

28 (2) is not a digital product manufacturer, does not have a license or  
29 contract with a digital product manufacturer under AS 45.45.860(a), and is not  
30 affiliated with a person that has a license or contract with a digital product  
31 manufacturer under AS 45.45.860(a).

1           **Sec. 45.45.860. Authorized service provider.** (a) A person is an authorized  
2 service provider under AS 45.45.800 - 45.45.899 if the person has a

3                   (1) license to use a trade name, service mark, or other proprietary  
4 identification of the digital product manufacturer to offer diagnosis, maintenance, or  
5 repair of digital products under the name of the digital product manufacturer; or

6                   (2) contract that is not described in (1) of this subsection with the  
7 digital product manufacturer to provide diagnosis, maintenance, or repair of digital  
8 products that are manufactured by the digital product manufacturer.

9           (b) A digital product manufacturer that offers the services of diagnosis,  
10 maintenance, or repair of its own digital products is considered an authorized service  
11 provider for such products for the purposes of AS 45.45.800 - 45.45.899.

12           **Sec. 45.45.870. Trade secrets.** Nothing in AS 45.45.800 - 45.45.899 may be  
13 construed to require a digital product manufacturer to disclose a trade secret to an  
14 independent service provider or an owner except to the extent necessary to make  
15 documentation, parts, and tools available under AS 45.45.800 - 45.45.899. In this  
16 section, "trade secret" has the meaning given in AS 45.50.940.

17           **Sec. 45.45.880. Limitations on application and liability.** (a) An agreement  
18 that waives, restricts, or otherwise limits the obligations of a digital product  
19 manufacturer under AS 45.45.800 - 45.45.899 is void and unenforceable.

20           (b) A digital product manufacturer or authorized service provider may not be  
21 held civilly liable for damages or injuries caused to a digital product by an  
22 independent service provider or owner during the course of the independent service  
23 provider's or owner's diagnosis, maintenance, or repair of the product.

24           **Sec. 45.45.890. Interpretation.** Nothing in AS 45.45.800 - 45.45.899 may be  
25 construed to require a digital product manufacturer or an authorized service provider  
26 to make available to an independent service provider or an owner the information,  
27 other than documentation, that a digital product manufacturer makes available to an  
28 authorized service provider under a license or other contract described in  
29 AS 45.45.860(a).

30           **Sec. 45.45.895. Exemptions.** (a) The provisions of AS 45.45.800 - 45.45.899  
31 do not apply to

1 (1) a digital product that is a medical device intended for use in the  
2 diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or  
3 prevention of disease, in humans or animals;

4 (2) the diagnosis, maintenance, or repair of a digital product that is a  
5 motor vehicle or a part for a motor vehicle.

6 (b) In this section, "medical device" has the meaning given to "device" in 21  
7 U.S.C. 321(h)(1).

8 **Sec. 45.45.899. Definitions.** In AS 45.45.800 - 45.45.899,

9 (1) "authorized service provider" means a person that is an authorized  
10 service provider under AS 45.45.860;

11 (2) "digital product"

12 (A) means a product that

13 (i) is sold at retail for personal, family, or household  
14 use; and

15 (ii) relies, in whole or in part, on digital electronics  
16 embedded in or attached to the product;

17 (B) does not include a product sold under a contract between  
18 businesses or between a business and a governmental entity;

19 (3) "digital product manufacturer" means a person engaged in the  
20 business of selling, leasing, or otherwise supplying new digital products manufactured  
21 by or on behalf of the person to another person;

22 (4) "documentation" means a manual, diagram, reporting output,  
23 service code description, schematic diagram, security code, password, or other  
24 guidance or information used in effecting the services of diagnosis, maintenance, or  
25 repair of a digital product;

26 (5) "independent service provider" means a person that is an  
27 independent service provider under AS 45.45.850;

28 (6) "motor vehicle" means a vehicle designed for transporting persons  
29 or property on a street or highway and certified by the manufacturer under all  
30 applicable federal emissions standards and requirements for distribution and sale in the  
31 United States;

1 (7) "owner" means a person who owns or leases a digital product;

2 (8) "part" means a new or used replacement part that a digital product  
3 manufacturer makes available for the maintenance or repair of the product;

4 (9) "tool" includes a software program, hardware implement, or other  
5 apparatus used for diagnosis, maintenance, or repair of a digital product, including  
6 software or other mechanisms that calibrate, update, program, pair new parts, or  
7 otherwise perform a purpose that ensures the product's functionality.

8 \* **Sec. 3.** AS 45.50.471(b) is amended by adding a new paragraph to read:

9 (58) violating AS 45.45.800 - 45.45.899 (digital product diagnosis,  
10 maintenance, and repair).

11 \* **Sec. 4.** The uncodified law of the State of Alaska is amended by adding a new section to  
12 read:

13 **APPLICABILITY.** This Act applies to a digital product that is sold or leased in the  
14 state on or after the effective date of this Act. In this section, "digital product" has the  
15 meaning given in AS 45.45.899.

16 \* **Sec. 5.** The uncodified law of the State of Alaska is amended by adding a new section to  
17 read:

18 **SAVING CLAUSE.** This Act may not be construed to change the terms of a license or  
19 contract that is in effect immediately before the effective date of this Act.

20 \* **Sec. 6.** This Act takes effect January 1, 2027.
