Approved By:	Megan Kohler, Administrative Services Director	Date: 01/20/26
Agency:	Department of Environmental Conservation	

FISCAL NOTE ANALYSIS**STATE OF ALASKA
2026 LEGISLATIVE SESSION****Analysis**

House Bill 25 introduces a prohibition on the use of polystyrene foam (also known as styrofoam) disposable food service ware by restaurants and state entities, with the Department of Environmental Conservation (DEC) responsible for overseeing compliance. To implement these requirements, the Environmental Health Division can integrate compliance into existing processes without the need for regulatory development or significant additional staff workload. The Department would implement the bill using existing resources previously allocated.
