## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2025 LEGISLATIVE SESSION

BILL NO. HB 77

### Analysis

House Bill 77 amends the definition of Theft in the Second Degree to include the theft of mail that is taken from a post office, postal station, mail receptacle, mailbox, post office box, or mail carrier, or taken after the mail is delivered. Section 1. The bill adds definitions to clarify that the new type of theft applies to material that is sent or delivered via the US Postal Service and that has postage affixed. Section 2. The bill further provides that defenses to the crime apply where the person was authorized to collect the mail, lives in the same household as the recipient, reasonably believed they were entitled to the mail, or had a power of attorney authorizing the act. Section 3.

Theft in the Second Degree is a class C felony. This bill would therefore expand the type of conduct that is felonious, which could lead to more felony cases being filed in the court system. The court anticipate that our filing numbers may increase, but the number of additional cases can be absorbed without fiscal impact. The court therefore submits this zero fiscal note.
