Why this fiscal note differs from previous version:
Not applicable, initial version.

Printed 4/4/2017
SB 93 would repeal and replace AS 45.48.220, under AS 45.48 (Personal Information Protection Act), which allows a parent or legal guardian to place a security freeze on the credit report of a minor, incapacitated person, or protected person. Under SB 93, AS 45.48.100 – 45.48.290 (Credit Report and Credit Score Security Freeze) would not apply to a security freeze on the credit report of a protected consumer. SB 93 allows a representative of a protected consumer to place a security freeze on the credit report of a protected consumer.

If a credit report does not exist at the time the request is made, the consumer credit reporting agency would be required to generate a record for the protected consumer for the purpose of placing a security freeze. A representative of a protected consumer would be required to provide proof of identification in order to place a freeze on a protected consumer’s credit report, and the credit reporting agency would be required to place the freeze within a certain period of time.

If a security freeze was placed on a protected person’s credit report, the credit reporting agency would be prohibited from releasing the report without the express permission of the protected consumer or the protected consumer’s representative. The security freeze would remain in effect until removed by the protected consumer, protected consumer’s representative, or the credit reporting agency. A credit reporting agency would be permitted to charge $5 to place a security freeze on a protected consumer’s credit report, but would not be permitted to charge a fee in certain circumstances.

SB 93 contains a list of exemptions that allow certain persons and entities to access the protected consumer’s credit report when the freeze is in place, and a list of definitions. The transition section of SB 93 allows a security freeze placed under AS 45.48.220 to remain in effect after the bill’s effective date.

The Department of Law does not anticipate fiscal impact to the department should this bill become law.
