RE: Support SB 159

Dear Senator Dunleavy and Committee Members,

Southeast Alaska Fishermen's Alliance (SEAFA) supports SB 159 that would allow air ambulance providers to offer medevac services to Alaskans through a membership program.

Many of the members in SEAFA have been a member of membership medevac services in Southeast Alaska and we are also aware of members who lives have been saved due to membership in air ambulance medevac services over the last couple of years.

We support SB 159 to establish a reasonable and appropriate regulatory regime for membership medevac programs under the review of the Division of Insurance.

Sincerely,

A handwritten signature in black ink that reads "Kathy Hansen" followed by a long horizontal line.
