FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. SB 31

Analysis

Background:

This bill protects victims of qualifying crimes, correctional officers, and peace officers by providing a substitute mailing address and mail forwarding service.

The bill provides authority for the Department of Administration, Division of Shared Services' Print Services section to immediately adopt regulations and implement the Address Confidentiality Program effective January 1, 2026.

Staff would (1) administer the new program; (2) adopt regulations for participants to enroll or withdraw from the program; (3) coordinate and collaborate with agencies and organizations; (4) obtain a Post Office Box as a substitute mailing address; (5) procure, populate, and maintain a confidential database storing participant information; and (6) receive, sort, and forward mail to participants.

Conferring with other States who have implemented similar Address Confidentiality Programs, the fiscal note is based on the following assumptions for Alaska's Address Confidentiality Program:

-Growth Rate: 25% Annual Growth. Reaching 500 participants by the fifth year and potential to further expand in following years.

-Mail Volume/Participant: 60 Pieces Annually

Implementation Cost:

The cost to operate the Address Confidentiality Program would increase as the program expands to serve and protect a greater number of participants.

Personal Services:

The Department expects to hire a Program Manager and an Administrative Assistant to implement and administer the Address Confidentiality Program.

Program Manager, R22, located in Juneau: \$179.4

Administrative Assistant 1, R12, located in Juneau: \$84.7

Travel:

Annual travel for the Program Manager to attend the National Association of Confidential Address Programs' (NACAP) conference and collaborate with other states who have implemented an Address Confidentiality Program and learn best practices.

1x out-of-state travel: \$3.0

Contractual Services:

In the first year, the projected costs include the development of the program's database. Ongoing annual costs include database maintenance, server hosting, rent for the State Office Building, and support line services assessed to state employees. The program is projected to grow at an annual rate of 25%, with postage costs rising in line with increased participant enrollment.

**Postage: \$3.6 in the first year, then \$9.0 as base beginning FY2027

**Central Mail Chargeback rate: \$4.9

Data & IT Contract/RSA (Development & Maintenance): \$50.0 for initial development, with \$20.0 on the out years for ongoing annual costs

Server Hosting: \$4.5/year

SOB Rent: \$44.0/year

BILL NO. SB 31

Analysis

Commodities:

Initial start-up costs are included to set-up equipment (laptops, monitors, docking stations, label makers, and an ID card maker) and desk space for two new positions. Operating supplies (examples: envelopes, labels, ink) would be procured annually and volumes and costs would align with program's growth and increased participant enrollment.

New Employee initial cost setup:

- \$6.65 per position x2 = \$13.3
- ID cards \$2.6

****Labels and Envelopes: \$2.5**

Other operating supplies: \$2.0

**** out years include a corresponding 25% postage usage increase for each year**
