Subject: Guns on Campus & Capitol> + Convention of the States
Importance: High

Dear Sir,

Grew up with the Coghill's in Nenana Sir, hope all is good with the family.

Your ideas on the guns allowed on Campus and the Capitol issue.
Please take this a step further.....*Mandatory Arms for ALL citizens of the State of Alaska*,
unless a felon or a mentally disabled person.

Reduce our crime rate and get us prepared for a possible uprising and the defense of our State
from foreign and domestic threats.

PS> Please vote in favor of a Convention of the States for us, Alaska.

Respectfully,
Daughter George Oliver Clayton, North Nenana
