## Sectional HB 33

Section 1. Amends AS 39.52.120(b), to allow a Board of Game or Board of Fish member to take official action as defined by section three of the bill. This would allow a board member to deliberate but not vote on a matter in which they have personal or financial interest.

Section 2. Amends AS 39.52.220(a) to exempt Board of Fisheries and Board of Game members from the provisions in the Executive Branch Ethics Act that prevents them from deliberating on matters of personal or financial interests.

Section 3. Amends AS 39.52.220 by adding a new subsection (c) that allows Board of Fisheries and Board of Game members with a personal or financial interest in the matter to deliberate on the matter, but not to vote on the conflicted matter before the boards.

Section 4. Establishes an immediate effective date.
