FISCAL YEAR: 2026 Fiscal Year

DEPARTMENT: Department of Transportation
APPROPRIATION: Administration and Support
ALLOCATION: Measurements Standards & Commercial Vehicle Compliance

ADD: \$643.9 Unrestricted General Fund (UGF)
\$61.6 Capital Improvement Program Receipts (CIP)

POSITIONS: ADD: 6 PFT position

EXPLANATION: The anticipated increase in commercial and trucking traffic from the anticipated Alaska LNG project and other major infrastructure developments in Southcentral Alaska will place significant strain on our highways. To protect our roads, ensure compliance with state and federal regulations, and enhance public safety, this amendment funds six full-time positions (PFT) to staff a weigh station to be constructed on the Parks Highway, between Houston, AK and Willow AK. Proper enforcement of weight restrictions will help prevent costly infrastructure damage, support economic growth, and maintain the long-term integrity of our transportation network.
