FISCAL NOTE ANALYSIS

STATE OF ALASKA **BILL NO.** HB 104
2015 LEGISLATIVE SESSION

Analysis

This bill repeals and reenacts AS 09.65.070(c) relating to suits against incorporated units of local government; specifically as they relate to immunity for a fire department and employees or members of a fire department to extend immunity to contracted fire departments. The bill also adds a definition of "fire department" for purposes of this subsection.

This bill would have no fiscal impact on the Department of Public Safety's Division of Fire and Life Safety.
