**Proposed Amendments on Page 2 and 3.**

### **I. POLICY STATEMENT**

#### **LEGISLATORS**

It is the policy of the Legislative Council to provide for Legislators' personal moving and travel expenses necessary to attend legislative sessions. Moving and travel costs are allowed from a Legislator's residence in his or her home district to and from the capital city for the purpose of attending a regular session of the Legislature. Legislators may be reimbursed for flying, boating or driving to and from the Capital, and the cost of ground/ferry transportation for no more than two vehicles, as referenced in Section II. Reimbursement approved for Legislators traveling to and from the Capital shall be as follows:

- (1) Private Vehicle. Travel shall be reimbursed as provided by the U.S. General Services Administration ("GSA rate" [www.gsa.gov/mileage](http://www.gsa.gov/mileage)) allowed at the time of the travel;
- (2) Private Boat. Travel shall be reimbursed at the rate of 1.5 gallons of fuel per nautical mile based on the price of fuel in the Capital during the time of travel, and based on the most direct and customary route from the Legislator's home to the Capital;
- (3) Private Aircraft. Travel by privately owned aircraft shall be reimbursed as provided by the GSA rate allowed at the time of travel, for each statute mile converted from nautical miles, based on the most direct and customary route from the Legislator's home to the Capital. Requests for clarification of any area in this policy or questions regarding a move shall be addressed to the LAA Executive Director for written explanation. Legislators should not expect payment for costs not specifically covered in this policy without written approval from the Legislative Council chair or a designee.

#### **LEGISLATIVE STAFF**

It is the policy of Legislative Council to provide for travel and travel per diem for lodging and meal expenses for legislative staff while traveling to and from a regular legislative session. Travel expenses are limited to one trip to and from the residence of the staffer in Alaska and the Capital. Staff members may be reimbursed for flying to and from the Capital and for the cost of ground/ferry transportation for one vehicle.

Reimbursement for the cost of driving or transporting a vehicle is only authorized to and from a location on the state highway or a location which connects to the ferry system. Reimbursement for legislative staff travel by private vehicle shall be calculated in the same manner as private vehicle travel for Legislators. Reimbursement for legislative staff traveling by private boat or private airplane must be pre-approved by the Legislative Council Chair, and if pre-approved, may be reimbursed in the same manner as private boat or private aircraft travel for Legislators. Pro-rated per diem expenses are limited to a per diem allowance for each day spent traveling to or from the Capital by the most direct route available for the type of transportation used by the employee requesting the reimbursement.

Travel and travel per diem for lodging and meal expenses for legislative staff members who are married to or a dependent of a Legislator are paid under the sections of this policy which cover reimbursement for Legislators and their families.

Legislative staff members based in the Capital during a regular legislative session are not entitled to a daily per diem allowance.

## **II. MOVING - LEGISLATORS ONLY**

Any items that are shipped with Legislative Affairs Agency listed as the shipper must be inspected by qualified LAA staff prior to closing of boxes for shipping.

### **HOUSEHOLD GOODS AND PERSONAL EFFECTS**

LAA will pay for the actual and necessary expenses charged by a commercial mover for packing, transporting, and unpacking up to 10,000 pounds of household goods and personal effects, including in-transit insurance not to exceed a total cost of \$200 for a convening move and \$200 for an adjourning move, and in-transit storage up to 30 days. Storage for household goods and personal effects only in the capital city during the interim is an allowable cost. Storage for household goods and personal effects in the Legislator's home city during the session is an allowable cost.

A pick-up by a moving company is allowed only at a Legislator's home. If a Legislator wishes to have a pick-up made at an additional stop, he or she is responsible for paying the entire shipping bill related to that extra stop.

**OFFICE MOVES** to Anchorage and Fairbanks will be coordinated by LAA and the Legislative Information Offices. Office moves should not be consolidated with Legislator's household goods and personal effects moves by Legislators to and from Anchorage and Fairbanks. To avoid paying minimum freight charges for each Legislator, there will be one consolidated office move to and from Anchorage and one to and from Fairbanks. Legislators may ship office equipment they own and use in their legislative offices with the consolidated office move. The Department of Administration, Division of Risk Management does not insure personal property. Other special provisions may be made for shipping Legislators' personal computers at the discretion of the presiding officers. Legislators will be notified by the Information Offices as to the dates of these moves.

Legislators establishing offices in locations other than Anchorage or Fairbanks may combine their office moves with their personal moves. An additional stop by a moving company at the Capitol is allowed. Office materials are not applied toward a Legislator's 10,000-pound limit.

**ITEMS THAT MAY BE SHIPPED** as household goods and personal effects at State expense include the following: household furnishings, appliances, clothing, books, and similar items belonging to a member, spouse or dependent which can be legally accepted and transported as household goods and personal effects by an authorized commercial carrier in accordance with rules and regulations established or approved by the Legislative Council. Also included are spare parts for privately owned motor vehicles, such as extra tires, wheels, tire chains, tools,

battery chargers, accessories, etc. Household pets, up to a maximum of three, are included in this section.

## **TRAILERS OR TRUCKS**

LAA will pay the cost of renting trailers or trucks, plus mileage at federal mileage reimbursement rate, to move household goods and tow trailers containing the household goods and personal effects of a Legislator, provided that the total cost of the move is not in excess of the cost of moving 10,000 pounds of household goods and personal effects by a commercial carrier. Trailers are considered to be part of the 10,000 pounds if they are put in closed containers or barged to their destination, unless it is necessary to do so in order to reach the nearest point that connects with a state highway or ferry system.

## **TRAVEL AND VEHICLES**

A motor vehicle is not considered part of the 10,000-pound weight limit on household goods and personal effects if the transportation costs are paid under this section. A Legislator may receive payment for transportation costs for not more than two motor vehicles, which are registered in the name of the Legislator, his or her spouse, or dependent.
