Victim Services Administration and Support

Victims of Crimes Act (VOCA) Assistance and Compensation

- Financed by fines and penalties paid by persons/entities convicted in federal cases
- Funding can be used for services such as crisis intervention, safety planning, and peer-to-peer support
- Alaska uses for community-based victim services, non-domestic violence/sexual assault assistance, children's advocacy centers, mental health services, and legal assistance grants, and compensation for victims of crime.

Violent Crimes Compensation Board

- Mitigate financial hardships innocent victims suffer as a direct result of a violent criminal act.
- Compensation is available to direct and indirect victims of eligible violent crimes such as: homicide, assault, arson, robbery, kidnapping, DUI, trafficking, sexual assault and domestic violence.
- Types of compensation include medical/dental treatment (after any other coverage including Medicaid, Medicare, Insurance), counseling, lost wages, funeral, security, relocation, transportation and trial attendance costs, and loss of support for dependents of homicide victim.

There have been a number of positive changes to increase access and support over the last few years. The first, is being part of DPS...

Violent Crimes Compensation Board

Average amount of assistance per individual is approximately \$2,600

Violent Crimes Compensation Board Goals

Increase Capacity
Process more claims

Improve Efficiency
Improve the time it takes to make a determination and payment

Increase Outreach
Work with victim services providers to better assist victims with the application process, increasing the number of applications per year

Increase Communication
Increased satisfaction of victims and increase in notifications sent out.

Increase Restitution
More follow up can be done to ensure all claims with a defendant have an order for restitution
