FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

BILL NO. HB 57

Analysis

This bill would include Emergency Medical Services (EMS) organizations in AS 18.23.030 which provides confidentiality, protection from subpoena, and discovery to review organizations. This law essentially provides protections for quality assurance and patient case review activities to include Emergency Medical Services (EMS) along with other predefined defined healthcare groups and organizations.

There is no direct programmatic impact, therefore, this is a zero fiscal note.
