2 Insert a new bill section to read:

3 "\* **Sec. 2.** AS 14.03.127 is amended by adding new subsections to read:

4 (d) If the total cost to a school district for Internet services exceeds the amount  
5 awarded to the district under the federal universal services program combined with the  
6 amount awarded under this section and the district uses an Internet services provider  
7 that is not approved under the federal universal services program but that meets the  
8 needs of the district, the district remains eligible to receive funding under this section,  
9 and the school may use funding received under this section to pay for part of the cost  
10 of using the Internet services provider.

11 (e) If the total cost to a school district for Internet services from an Internet  
12 services provider that is not approved under the federal universal services program is  
13 equal to or less than the amount that would have been awarded to the school under (a)  
14 or (b) of this section, the school district is eligible to receive an amount equal to the  
15 actual cost for Internet services, up to the amount that the school district would have  
16 been awarded under (a) or (b) of this section."
