FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

BILL NO. SB 103

Analysis

This bill amends Alaska Statute (AS) 18.95 by adding a new section relating to peer support counseling programs for law enforcement agencies, emergency service providers, and the Department of Corrections. This bill authorizes law enforcement agencies, emergency service providers, and the Department of Corrections to establish peer support counseling programs to provide emotional and moral support and counseling to peace officers and emergency service personnel who have experienced emotionally traumatic incidents during employment.

The bill adds confidentiality for oral and written communication between the participant and counselor during peer support counseling sessions, and communication made between counselors, supervisors, or staff members related to a peer support counseling session. It provides exceptions to confidentiality for threats of suicide or homicide, information required by law to be reported, child or vulnerable adult abuse, or admissions of criminal conduct.

The Department of Public Safety has an established peer support counseling program and does not anticipate a fiscal impact at this time.
