

SENATOR JESSE KIEHL

**SB 236 ver. U: Disaster Assistance**

**Sectional Analysis**

**Sec. 1:** Repeals and reenacts a previously existing section in statute without substantive changes so the format is consistent with later sections.

**Sec. 2:** Increases the maximum amount of state aid to the greater of \$50,000 or half of the federal maximum: currently, the maximum is approximately \$21,000.

Allows a grantee who is a member of a condo association to use state aid to pay for their share of condo-wide damage expenses.
