FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

BILL NO. SB 103

Analysis

This legislation grants the ability to establish peer support counseling programs for law enforcement agencies, emergency service providers, and the Department of Corrections (DOC) to provide emotional and moral support and counseling to peace officers and emergency service personnel who have experienced emotionally traumatic incidents in the course of employment.

DOC would have the authority to establish a dedicated peer support counseling program to provide emotional and moral support and counseling to our officers both in the institutions and in the field. As this legislation is only granting the authority to establish a peer support program, there is no immediate financial impact.
