FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

BILL NO. SB 165

Analysis

This bill would prohibit the Department of Law, including the Attorney General, from representing or advising a public official who is subject to a complaint under the Alaska Executive Branch Ethics Act. The prohibition includes a sitting or former governor or lieutenant governor and any current or former public officer.

Because this legislation specifically prohibits the Department of Law from taking any action to represent or advise a current or former public official subject to a complaint under the Ethics Act, the department does not anticipate any costs associated with this legislation. The department does not anticipate a fiscal impact should this bill become law.
