Re: Hearing Request for House Bill 39 Draft CS Version T

Thank you for holding a hearing on House Bill 39 on February 10, 2011. Since that hearing, I have worked with Stuart Goering of the Department of Law to resolve issues that were raised during the hearing and we have prepared a new draft committee substitute (version T). I respectfully request that House Bill 79 Draft Committee Substitute Version T be scheduled for a hearing in the House Special Committee on Energy. Please feel free to contact me, or my aide David Dunsmore, at 465-4939 with any questions, thoughts, or ideas.

Attached you will find a supplemental background packet for House Bill 39 including a copy of the Draft CS, an updated sponsor statement, an updated sectional analysis, and a letter of support from the Alaska Public Interest Research Group.

Thank you for your consideration.
