TO WHOM IT MAY CONCERN:

It is with extreme honor, pride, and gratitude that we, the Louden Tribal Council, support the naming of the State Department of Transportation (DOT) building after the late Marvin Thurmond for his dedication and commitment for more than 30 years of loyal service.

Marvin's unmatched work ethic and love for his community showed in how the airport and roads were always maintained no matter what obstacles were put in front of him. Marvin was tireless and dedicated to the public.

Marvin was always willing to share his knowledge with anyone that showed interest. The entire community of Galena misses Marvin Thurmond and, among many things, especially his humor. We always heard him say, "My job is never done!"
