Juneau, Alaska 99801-1182

Re: Support for HB327

Dear Representative Hannan:

Please consider supporting the Board of Massage and moving this bill out of committee. I support my Massage Therapist and her good work. Should the Board's Sunset not be extended support for licensure will lack advocacy and oversight by peers and legislators.

I feel this could be quite harmful to the quality of care that I currently receive from my Massage Therapist.

Thank you for your consideration regarding this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kelli Manchester".

Kelli L. Manchester
