Re: Hearing request for SB 221 CPR Curriculum

I respectfully request a hearing in the Senate Education Committee on SB 221. If passed into law, Alaska can join the other 40 states in leading the way towards growing the number of CPR-trained bystanders by providing them with the knowledge and skills necessary to respond effectively in emergency situations.

1. SB 221 version A
2. SB 221 Sponsor Statement
3. SB 221 Sectional Analysis
4. SB 221 Power Point Presentation
