Summary of Changes Between CS HB \S and \T

On February 27, 2009, the House Community & Regional Affairs Committee adopted CS HB 106 version \S with the understanding that Representative Joule would work with Commissioner Masters and other interested parties to resolve issues and revise the bill to more adequately represent stakeholders' interests. The version being furnished to you now, version \T, accomplishes this, and I respectfully request that you adopt this CS.

Page 1, line 14 - page 2, line 1 was amended to more clearly state that the Commissioner of Public Safety has the option of providing grants to municipalities with populations of less than 10,000 for VPSOs in rural areas.

Page 2, lines 4 - 6 wording was changed to reflect the wish of the Commissioner that he obtain the concurrence of the relevant nonprofit regional corporation prior to contracting with a municipality for VPSO services.
