Profile

Retired Family Physician

I am applying for Chairmanship of the State Medical Board at the suggestion of other board members. I do believe in service to the community, both the medical community and the citizens of the State of Alaska and I believe I have something to offer.

Experience

State of Alaska, Department of Corrections, regional medical officer, 2016–2022

Clinical supervisor of Region II, including Goose Creek Correctional, Fairbanks Correctional, Palmer Correctional, Bethel and MatSu Pretrial. I was instrumental in the introduction of Dialysis in Corrections in Alaska at Goose Creek Correctional Center and in-house, sleep apnea testing.

Medical volunteer with World Medical Missions (part-time), 2018–2019

Three trips, totaling two months, to Togo, Africa as a volunteer Medical Missionary.

Solo practice, family physician, Wasilla, Alaska 1999–2016

Engaged in full spectrum, family practice other than obstetrics. After the first three years, I discontinued my hospital practice to focus on outpatient care alone.

Physician employee, family health center, Palmer, Alaska, 1996–1999.

I performed general family practice, including inpatient care, nursing homes, and minor surgical procedures.

**Family physician, Marshfield, clinic, Ladysmith Center,
Ladysmith, WI, 1988–1996**

A small, multi – specialty branch of the larger Marshfield clinic. I practiced full spectrum family practice here as well as obstetrics. I also served a term as president of the branch and performed administrative duties at Rusk County Memorial Hospital.

**physician employee, Doctors Park, family physicians,
Platteville, Wisconsin, 1985–1988.**

General family practice, including obstetrics, inpatient, hospital, care, emergency room, coverage, nursing home care, minor surgery, and some orthopedics.
