

Galvin Conceptual Amendment to Amendment 91

Co-Chair Johnson I'd like to offer a conceptual amendment to my amendment 91.

[Co-Chair agrees to hear amendment]

I move conceptual amendment 1 to Amendment 91, adjusting the fund source as follows:

- \$816,000 to be drawn from the Gen Fund (UGF)
- \$204,000 from University Receipts

This conceptual amendment #1 better incorporates university receipts and buy-in as a funding source supporting Amendment 91's improved public safety and physical security services.
