## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2024 LEGISLATIVE SESSION

BILL NO. HB 354

### Analysis

This bill restricts the use of polystyrene foam and requires biodegradable or compostable disposable food service ware in restaurants. The bill allows for restaurants to apply to the department for a waiver if an affordable biodegradable or compostable product is not available or that imposing the restriction would cause an under hardship to the restaurant and regulations would be required to carry out this provision.
