## FISCAL NOTE ANALYSIS #1

STATE OF ALASKA  
2013 LEGISLATIVE SESSION

BILL NO. HB 129

### Analysis

This bill will allow the Department of Natural Resources to approve oil and gas exploration and development for a geographic area, without regard to individual lease boundaries.

To implement this bill would require one non-permanent position (NRSIII) to prepare exploration approvals for existing oil and gas lease sale areas, contractual services for legal support, public outreach and notice, and travel for public meetings. On-going exploration and development approvals would be accomplished using existing staff as a result of efficiencies gained through implementing this bill.
