Dear Alaska Legislators:

I am writing in support of Commissioner John Springsteen for appointment to the Regulatory Commission of Alaska.

My staff and I have found John to be a consummate professional, a fierce advocate for Alaska's utilities and he is always fully prepared to discuss the organizations needs and overall mission. As you review his many accomplishments, you will find he has over a decade of relevant experience and would continue to be a great asset to the Commission.

Commissioner Springsteen has served Alaska well. I would encourage close review of his appointment.

If you have any additional questions, please contact my Administrative Services Director, Angelina Burney, at 202-224-9302 or via e-mail at [Angelina\\_burney@murkowski.senate.gov](mailto:Angelina_burney@murkowski.senate.gov)

Sincerely,

Lisa Murkowski  
United States Senator
