I support the passage of HB 15 Marriages and Spouses. This should be an easy choice as it is administrative housekeeping to clean-up language already in state documents to make Alaska's state laws align with current terminology.

Let's start the session right by passing HB 15. This bill makes total sense and should be non-controversial as it does not introduce any new language, but just uses the term "spouse" in stead of husband and wife. It makes state documents align with current terminology.

Dear House Judiciary Committee:

Thank you for your prompt passage of HB 15, the Marriage and Spouses Act. This act approves administrative changes that allow Alaska statutes to finally conform to the 2015 Obergefell Supreme Court decision.

Dear Judiciary Committee,

I support HB 15 ("An Act relating to marriage, adoption, birth certificates, state custody of a minor, divorce, dissolution, and legal separation; replacing the terms 'husband' and 'wife' in certain statutes relating to loans, trusts, spousal immunity and confidential marital communications, probate and nonprobate transfers, life and health insurance, workers' compensation, and property ownership; and making conforming amendments.").

This is an important move toward creating equality in our communities. I urge you to support this bill.

To Whom It May Concern,

I'm writing to express my strong support for HB 15 and urge the committee to pass it as written. The bill would simply amend our state's paperwork to be in sync with marriage equality. "Husband" and "Wife" are outdated terms where "Spouse" would be more appropriate and respectful of marriages between two people of the same gender, like mine.

Good morning,

I am writing to express my strong support for HB 15. I have lived in Alaska for 28 years, and my wife and I are approaching our 5 year wedding anniversary in February. We would LOVE to see "spouse" replace "husband" and "wife" everywhere.

Thank you for your efforts with this bill.

Hello,

I am writing just to let you know that I live in Anchorage Alaska, and I support HB 15 as it is written, to change the terms husband and wife to spouses, or spousal relationship. This is important language, As not all Alaskan couples are comfortable with the terms husband and wife, or are necessarily male and female.

Thank you so much!
