8 **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

9 **\* Section 1.** AS 15.05.020 is amended to read:

10 **Sec. 15.05.020. Rules for determining residence of voter.** For the purpose of  
11 determining residence for voting, the place of residence is governed by the following  
12 rules:

13 (1) A person may not be considered to have gained a residence solely

1 by reason of presence nor may a person lose it solely by reason of absence while in the  
2 civil or military service of this state or of the United States or of absence because of  
3 marriage to a person engaged in the civil or military service of this state or the United  
4 States, while a student at an institution of learning, while in an institution or asylum at  
5 public expense, while confined in public prison, while engaged in the navigation of  
6 waters of this state or the United States or of the high seas, while residing on [UPON]  
7 an Indian or military reservation, or while residing in the Alaska Pioneers' Home or  
8 the Alaska Veterans' Home.

9 (2) The residence of a person is that place in which the person's  
10 physical habitation is fixed, and to which, whenever absent, the person has an  
11 articulable and reasonable plan [THE INTENTION] to return. If a person resides in  
12 one place, but does business in another, the former is the person's place of residence.  
13 Temporary work sites do not constitute a dwelling place.

14 (3) [A CHANGE OF RESIDENCE IS MADE ONLY BY THE ACT  
15 OF REMOVAL JOINED WITH THE INTENT TO REMAIN IN ANOTHER  
16 PLACE.] There can only be one residence.

17 (4) A person does not lose residence if the person leaves home and  
18 goes to another country, state, or place in this state for temporary purposes only and  
19 with the intent of returning to the person's residence.

20 (5) A person does not gain residence in any place to which the person  
21 comes without the present intention to establish a permanent dwelling at that place.

22 (6) A person loses residence in this state if the person establishes  
23 residence in another state or votes in another state's election, either in person or by  
24 absentee ballot, and will not be eligible to vote in this state until again qualifying  
25 under AS 15.05.010.

26 (7) The term of residence is computed by including the day on which  
27 the person's residence begins and excluding the day of election.

28 (8) The address of a voter as it appears on the official voter registration  
29 record is presumptive evidence of the person's voting residence. This presumption is  
30 negated [ONLY] if the voter notifies the director in writing of a change of voting  
31 residence. When a voter's qualification is questioned under AS 15.15.210 or

1 **challenged in accordance with the procedure adopted in regulation under**  
2 **AS 15.20.215, the presumption may be rebutted by providing evidence to the**  
3 **division that the voter has established residence in another state or place in this**  
4 **state or evidence that the voter is not a resident under (2) - (7) of this section.**

5 \* **Sec. 2.** AS 15.07.060(a) is amended to read:

6 (a) Each applicant who requests registration or reregistration shall supply the  
7 following information:

8 (1) the applicant's name and sex;

10 State of Alaska identification card number, or the last four digits of the applicant's  
11 social security number;

12 (3) the applicant's date of birth;

13 (4) the applicant's Alaska residence address;

14 (5) a statement of whether the applicant has previously been registered  
15 to vote in another jurisdiction, and, if so, the jurisdiction and the address of the  
16 previous registration;

17 (6) a declaration that the applicant will be 18 years of age or older  
18 within 90 days after the date of registration;

19 (7) a declaration that the applicant is a citizen of the United States;

20 (8) the date of application;

21 (9) the applicant's signature, [OR] mark, **or electronic signature**;

22 (10) any former name under which the applicant was registered to vote  
23 in the state;

24 (11) an attestation that the information provided by the applicant in (1)  
25 - (10) of this subsection is true; and

26 (12) a certification that the applicant understands that a false statement  
27 on the application may make the applicant subject to prosecution for a misdemeanor  
28 under this title or AS 11.

29 \* **Sec. 3.** AS 15.07.060(c) is amended to read:

30 (c) Each applicant who requests registration in person before a registration  
31 official shall exhibit one form of identification to the official, including a driver's

1 license, state identification card, current and valid photo identification, birth  
2 certificate, passport, or **identification card issued by a federally recognized tribe**  
3 **[HUNTING OR FISHING LICENSE]**. A registration official who knows the identity  
4 of the applicant may waive the identification requirement.

5 \* **Sec. 4.** AS 15.07.060(e) is amended to read:

6 (e) For an applicant requesting initial registration by mail, by facsimile or

9 information provided in compliance with (a)(2) and (3) of this section through state  
10 agency records described in AS 15.07.055(e). If the applicant cannot comply with the  
11 requirement of (a)(2) of this section because the applicant has not been issued any of  
12 the listed numbers, the applicant may instead submit a copy of one of the following  
13 forms of identification: a driver's license, state identification card, current and valid  
14 photo identification, birth certificate, passport, or **identification card issued by a**  
15 **federally recognized tribe** **[HUNTING OR FISHING LICENSE]**.

24 **accept the electronic signature of the voter or a person acting on behalf of the**  
25 **voter.** The director may require proof of identification of the applicant as required by  
26 regulations adopted by the director under AS 44.62 (Administrative Procedure Act).  
27 Upon receipt and approval of the completed registration forms, the director or the  
28 election supervisor shall forward to the voter an acknowledgment, and the voter's  
29 name shall immediately be placed on the master register. If the registration is denied,  
30 the voter shall immediately be informed in writing that registration was denied and the  
31 reason for denial. When identifying information has been provided by the voter as

1 required by this chapter, the election supervisor shall forward to the voter a  
2 registration card.

26 election supervisors, tallying the votes as indicated on duplicate certificates. To ensure  
27 adequate protection, the director shall prescribe the manner in which the ballots,

13 division's Internet website an updated unofficial total detailing the number of absentee  
14 ballots and questioned ballots counted for each count code.

15 (d) In this section, "count code" means a code assigned to a ballot by the  
16 division that designates the races in which the ballot is to be counted during a district  
17 absentee ballot counting review conducted under AS 15.20.203 or a district questioned  
18 ballot review conducted under AS 15.20.207.

(a) The review of ballot counting by the director **must** [SHALL] include [ONLY (1)] a review of the precinct registers, tallies, and ballots cast. **The review must include** [; (2)] a review of absentee and questioned ballots as prescribed by law. **The review must include, for each house district except a house district where all races on the ballot are uncontested** [; AND (3) UNLESS THE BALLOT FOR THE HOUSE DISTRICT CONTAINS NOTHING BUT UNCONTESTED OFFICES], a hand count of ballots from one randomly selected precinct in **the** [EACH] house district that accounts for at least five percent of the ballots cast in that district. **The director may adopt regulations prescribing additional review procedures employing statistical methods to limit the risk of certifying an election result that would be inconsistent with the result that would be obtained by conducting a recount.**

\* **Sec. 24.** AS 15.20.030 is amended to read:

**Sec. 15.20.030. Preparation of ballots, envelopes, and other material.** The director shall provide ballots for use as absentee ballots in all districts. The director shall provide a secrecy sleeve in which the voter shall initially place the marked ballot [,] and shall provide **a postage-paid return** [AN] envelope with the prescribed voter's certificate on it, in which the secrecy sleeve with ballot enclosed shall be placed.
