I am in full support of HB178 and request you make every effort to insure it is passed into law. To honor our local Veterans by posting their name alongside a sign dedicating a section of the Mat-Su Veterans Highway, that honors our local Veterans, will enhance the recognition of those that have served their country.

Yours truly,

Veteran Richard Horst

Please vote yes so my husband(now deceased) and all other veterans in the valley get the recognition they deserve for their service to our country. Thank you.
