### Explanation of Changes for HCR 8 version A to A.A

Page 1, line 2, following "to" (title amendment):

"Maintain" was deleted and "find a solution to keep" was inserted.

Page 1, line 3, following "Center" (title amendment):

"As an important" was deleted and "operating as a stable" was inserted.

Page 3, line 18, following "a":

"solution that keeps" was deleted and "creative solution in which the university partners with industry, stakeholders, and the community of Kodiak to keep" was inserted.
