## **EXPLANATION OF CHANGES -- VERSION A TO VERSION I**

### *SB 50: MUNICIPAL COMPREHENSIVE PLANS: HOUSING*

SB 50 has been edited to address concerns from stakeholders about the clarity of the language.

**Version N:** This version was adopted as a committee substitute by the Senate Community & Regional Affairs Committee. It removed a change which struck redundant language on line 6. This language, while legally meaningless, has instructional value for laypersons in borough governments whose work is guided by Title 29.

**Version I:** This version was adopted as a committee substitute by the Senate Labor & Commerce Committee. It added clarifying language on line 12. SB 50 is intended to increase Alaska's housing supply, and this language makes that explicit.
