

# Alaska State Parks Overview

*Senate Resources Committee*

**Presentation by Ethan Tyler, Division Director  
Division of State Parks and Outdoor Recreation  
Alaska Department of Natural Resources  
February 5, 2018**

# TODAY'S OVERVIEW

- **Division of Parks and Outdoor Recreation primary sections**
- **Regions and regional points of interest**
- **FY17 Highlights**
- **Moving forward**

# OFFICE OF HISTORY AND ARCHAEOLOGY

- **Serves as the State's Historic Preservation Agency**
- **Maintains statewide inventory of cultural resources**
- **Serves as the state liaison to federal agencies, representing the state's interests in protecting its heritage resources**

# OFFICE OF BOATING SAFETY

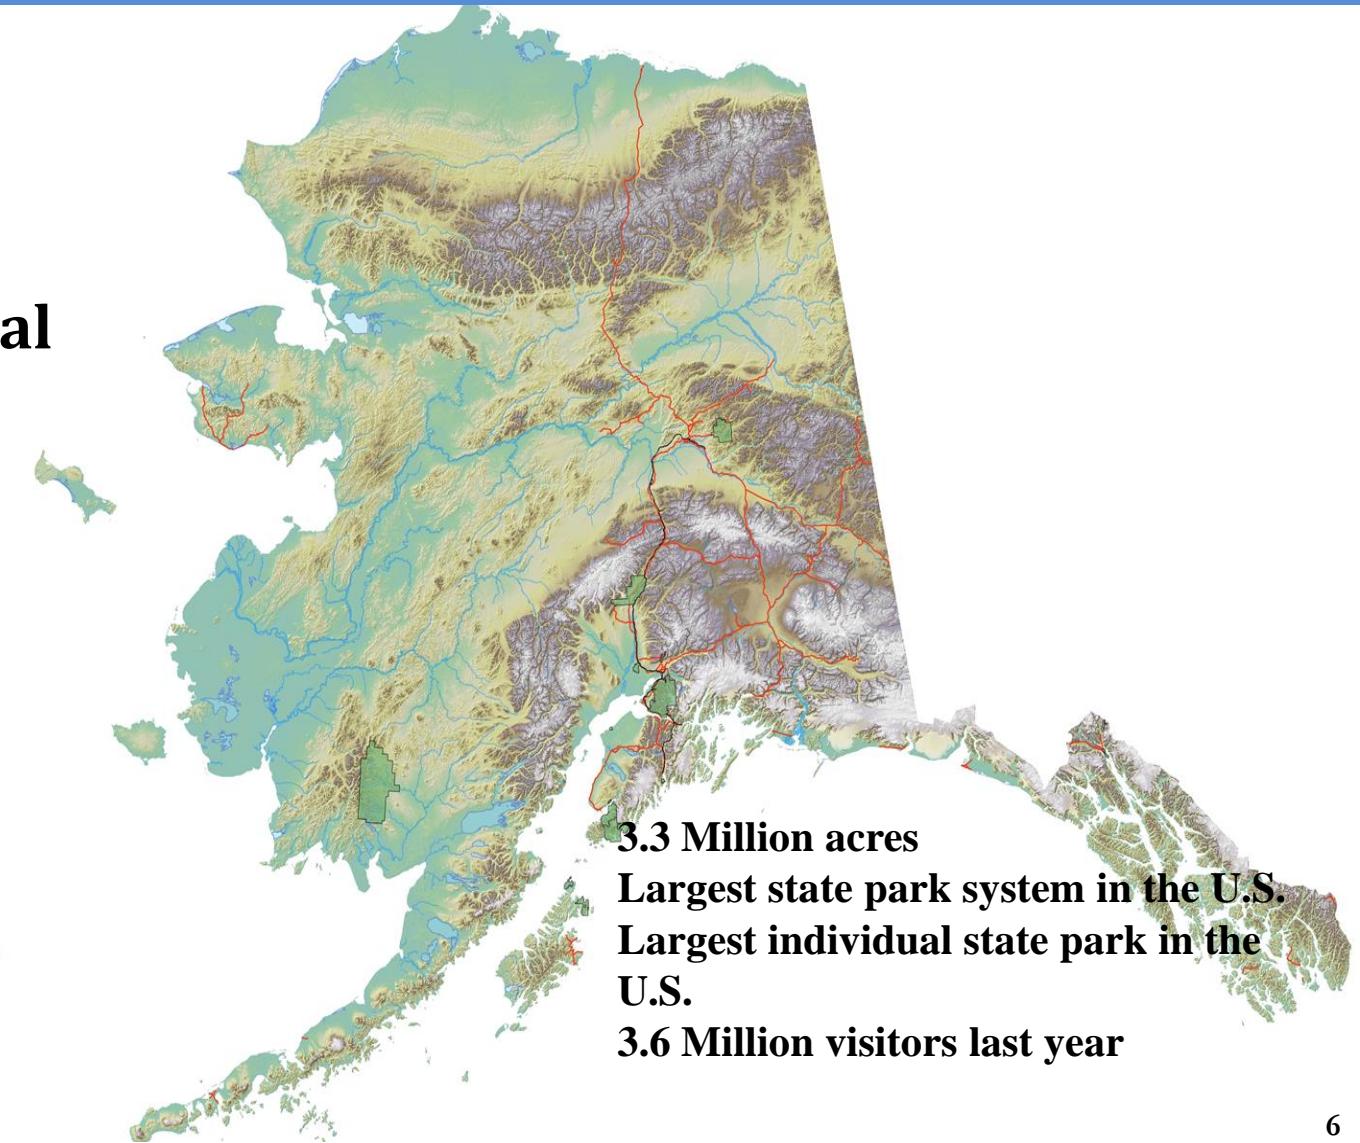

- This year marks the 10,000<sup>th</sup> participant in the Kids Don't Float Program
- Staff Member Kelli Toth Received the prestigious National Boating Safety Educator of the Year Award
- At least 33 Alaskan lives have been saved by the use of a “Kids Don’t Float” life jacket.

# FIELD OPERATIONS

- **Provides public safety and law enforcement in State Parks**
- **Works with 12 local citizen advisory boards that provide public input on park management**
- **Ensuring Alaska's State Parks provide high quality, sustainable park facilities that enhance the visitor experience**
- **An important partner of the state's visitor industry and community economic driver**
- **Park fees covered 51% of operations costs in FY17**

# SIX PRIMARY REGIONS

- **Southeast**
- **Southcentral**
- **Kenai**
- **Kodiak**
- **Mat-Su**
- **Northern**

# REGIONAL POINTS OF INTEREST

- **Chugach Region:**
  - At 495,000 acres, the 4<sup>th</sup> largest state park in the U.S.
  - Because of its proximity to Anchorage, it sees high use
  - Joe Hall, Park Specialist was awarded a partnership award from the non-profit Alaska Geographic
  - Wood Tikchik State Park falls under the management of the Chugach region

# REGIONAL POINTS OF INTEREST

- **Chugach Region:**
  - At 495,000 acres, Chugach State Park is the 4<sup>th</sup> largest state park in the U.S.
  - Because of its proximity to Anchorage, it sees high use
  - Joe Hall, Park Specialist was awarded a partnership award from the non-profit Alaska Geographic
  - Wood Tikchik State Park falls under the management of the Chugach region

# REGIONAL POINTS OF INTEREST

- **Kenai Region:**
  - Kenai region park areas are some of the most diverse in the state, including:
    - Prince William Sound
    - Kachemak Bay State Park / Homer
    - Seward Parks
    - Kenai River Special Management Area

# REGIONAL POINTS OF INTEREST

- **Northern Area:**
  - Utilized federal highway funds to add significant improvements to Olnes Pond ATV Trail
  - Improvements / Riverbank stabilization at Big Delta Historic Park
  - Increase in fee stations and public use cabins
  - Delta Parks Permitted to private sector operators in FY18

# REGIONAL POINTS OF INTEREST
