Representative Kito,

On behalf of the Alaska Pharmacists Association, and our member pharmacies, I wish to extend my sincere Thanks for your support of HB 240 PBM Audits/MAC Transparency. The subject matter involved in this legislation is not easy to grasp. Yet you were able to guide your committee meetings in such a way as to shine considerable light into the the problematic nature of our everyday experiences in Alaskan pharmacies. Having taken part in numerous committee meetings over the years I truly appreciate your leadership style.

I see you now have HB 323 which extends the effective date for the Alaska Board of Pharmacy. Our association fully supports this extension.

Thank you again for your support of Alaskan Pharmacies and for your service to the State of Alaska.

Regards,

Barry Christensen,RPh
