FISCAL NOTE ANALYSIS

STATE OF ALASKA
2018 LEGISLATIVE SESSION

BILL NO. HB 313

Analysis

This legislation amends AS 21.54.020(d) to give health care insurers a deadline of 18 months to recover an amount mistakenly paid to a provider or a covered person. It also provides for extenuating circumstances in which health care insurers are exempt from the 18 month window.

This legislation will result in amending 3 AAC 26.100, which currently restricts health care insurers to initiating recovery of an overpayment within 365 days of when the original payment was made. Regulations updates will be included in planned regulations projects.

The Division of Insurance does not anticipate fiscal impact from this legislation.
