Approved By:	Sarah Woods, Deputy Director Finance & Management Services	Date:	03/16/15
Agency:	Health & Social Services		

FISCAL NOTE ANALYSIS**STATE OF ALASKA
2015 LEGISLATIVE SESSION****Analysis**

Chronic and Acute Medical Assistance (CAMA) is a state-funded program serving just under 500 low-income Alaskans each month who have inadequate or no health insurance, but who do not qualify for Medicaid. CAMA provides limited services to eligible individuals only if diagnosed with one of the following conditions:

- Terminal illness
- Cancer requiring chemotherapy
- Chronic diabetes or diabetes insipidus
- Chronic seizure disorder
- Chronic mental illness
- Chronic hypertension

Covered services for those who qualify for CAMA are limited and specific to the medical condition.

The services provided under this program will begin being absorbed by Medicaid expansion on July 1, 2015.

FY2016 will see a cost savings to the general fund by shifting expenses to federal funds for the newly eligible adult group, at 100% federal participation.

The department will continue to see an escalating cost savings in the Catastrophic and Chronic Illness Assistance component of \$1,300.0 in FY2017 and a savings of \$1,400.0 in FY2018. The department anticipates a savings of \$1,471.0 from FY2019 and beyond.
