Fax: 907-225-8546

**CSHB 18 (CRA)**

**An Act relating to race classics**

**Explanation of Changes**

CSHB 18 CRA expands the scope of human races or races eligible to be permitted as a 'race classic.'

The intent of HB 18 is to allow the Greater Ketchikan Chamber of Commerce the ability to obtain a race classic permit for the Race to Alaska, a human-powered race beginning in Port Townsend, Washington, and ending in Ketchikan, Alaska. This was originally to be done by adding a new subsection (B) to AS 05.15.690(40).

CSHB 18 CRA was amended in Senate Community and Regional Affairs. The amendment removes language and subsection A that limited eligibility for a race classic permit to a specific event.
