### MEMORANDUM

**February 16, 2018**

**TO:** **Representative Matt Claman**  
**Chair, Judiciary Committee**

**FROM:** **Rep. Chris Tuck**  
**House Majority Leader**

**SUBJ:** **Memo of Changes for HB307**

The House Military and Veterans Affairs Committee adopted two amendments which are reflected in version D.

- The bill references a member of the militia may not consume alcohol on duty. To keep statutes consistent the committee added in “or a drug” in sections 16, 21 and 22. And added the definition of a controlled substance in section 22.
- Changed “a member of the organized militia” to “servicemembers” in the title and section 7. Servicemembers has the definition of a member of the armed forces of the United States or a member of the organized militia of the state. The reason for this change was to ensure those who serve in the united states armed forces were also included for protections under the Servicemembers Civil Relief Act.
