

HOUSE CONCURRENT RESOLUTION NO. 3

IN THE LEGISLATURE OF THE STATE OF ALASKA

THIRTY-FOURTH LEGISLATURE - FIRST SESSION

BY REPRESENTATIVE RAUSCHER

Introduced: 2/26/25

Referred: Community and Regional Affairs, State Affairs

A RESOLUTION

1 **Establishing the Joint Legislative Task Force on Artificial Intelligence.**

2 **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

3 **WHEREAS** artificial intelligence is a rapidly advancing technology with significant
4 implications for government operations, economic development, public services, and data
5 security; and

6 **WHEREAS** artificial intelligence is being integrated into various sectors, including
7 public safety, transportation, healthcare, and education, and artificial intelligence has the
8 potential to enhance the efficiency and effectiveness of state government operations; and

9 **WHEREAS** the development and use of artificial intelligence and the establishment
10 of data centers in the state could stimulate economic growth, create job opportunities, and
11 position the state as a leader in technological innovation; and

12 **WHEREAS** the use of artificial intelligence raises important ethical considerations,
13 including data privacy, security, algorithmic transparency, and the potential for bias, all of
14 which necessitates careful legislative oversight; and

15 **WHEREAS** understanding the role of artificial intelligence in government and society
16 is essential to ensuring its use benefits residents of the state while mitigating potential risks to

1 civil liberties and public trust;

2 **BE IT RESOLVED** that the Alaska State Legislature establishes the Joint Legislative
3 Task Force on Artificial Intelligence to examine the development, implementation, and
4 regulation of artificial intelligence in the state; and be it

5 **FURTHER RESOLVED** that the task force shall

6 (1) evaluate current and potential applications of artificial intelligence in state
7 government operations, including data management, public service delivery, and decision-
8 making processes;

9 (2) assess the economic opportunities associated with artificial intelligence
10 development, including the establishment and operation of data centers and technology hubs
11 in the state;

12 (3) investigate ethical, legal, and privacy concerns related to artificial
13 intelligence use in public and private sectors;

14 (4) explore workforce implications, including the need for training programs
15 and education initiatives to prepare residents of the state for artificial intelligence-related
16 employment opportunities;

17 (5) recommend policies and legislation to ensure the responsible and secure
18 use of artificial intelligence inside and outside state government; and

19 (6) develop a long-term strategic plan for fostering artificial intelligence
20 innovation while safeguarding public interests in the state; and be it

21 **FURTHER RESOLVED** that the task force consists of seven members, appointed as
22 follows:

23 (1) three members from the senate, appointed by the president of the senate,
24 including one member designated as vice-chair of the task force; and

25 (2) four members from the house of representatives, appointed by the speaker
26 of the house of representatives, including one member designated as chair of the task force;
27 and be it

28 **FURTHER RESOLVED** that

29 (1) the chair of the task force shall preside over the task force and coordinate
30 its activities, ensuring an equal representation of both legislative bodies in the decision-
31 making process;

1 (2) the members of the task force shall objectively evaluate and support the
2 responsible use and development of artificial intelligence statewide, without focusing solely
3 on specific regions or industries;

4 (3) staff of the president of the senate, the speaker of the house, and the
5 Legislative Affairs Agency may provide administrative and other support to the task force;

6 (4) the task force shall meet at the call of the chair and may conduct meetings
7 virtually or through other electronic means to reduce expenses to the fullest extent practicable;

8 (5) a majority of the task force constitutes a quorum;

9 (6) members of the task force are entitled to the members' normal rates of per
10 diem and travel; and be it

11 **FURTHER RESOLVED** that, by January 31st, 2026, the task force shall submit a
12 report of its findings and recommendations to the senate secretary and the chief clerk of the
13 house of representatives and notify the legislature that the report is available; the task force
14 may make any interim reports the task force considers advisable; and be it

15 **FURTHER RESOLVED** that the task force expires on February 2, 2026.
