*Re: HJR 38*

Dear Representative Kopp:

This letter is in support of House Joint Resolution No. 38.

I am a property owner affected by the Alaska Railroad easement. Alaska Railroad's attempt to re-characterize the railroad easement on my property as an "exclusive-use" easement is an illegal taking of my property rights, a cloud on the title to my property and has a detrimental effect on the value of my property – as well as hundreds of other Alaska property owners adjoining the railbelt.

I am also a lawyer that has extensively researched this issue for a client in the Oceanview area. I have reviewed, and strongly support the legal analysis and statements in your HJR 38 Overview and Backdrop as well as the contents of Resolution 38 itself.

I thank you, Governor Walker, and the others who are working to correct this matter. Please share my input and support with members of the Judiciary and State Affairs.

Appreciatively,

  
Roy Longacre, Esq.
