

**HOUSE BILL NO. 27**

IN THE LEGISLATURE OF THE STATE OF ALASKA

THIRTIETH LEGISLATURE - FIRST SESSION

BY REPRESENTATIVE TARR

Introduced: 1/18/17

Referred: Resources, Labor and Commerce

**A BILL**

**FOR AN ACT ENTITLED**

1   **"An Act relating to chemicals that are of high concern for children and to the**  
2   **manufacture and sale of products containing certain flame retardant chemicals; relating**  
3   **to an interstate chemicals clearinghouse; adding an unlawful act to the Alaska Unfair**  
4   **Trade Practices and Consumer Protection Act; and providing for an effective date."**

5   **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

6   \* **Section 1.** AS 18.31 is amended by adding new sections to read:

7                   **Article 5. Chemicals of High Concern for Childhood Exposure.**

8                   **Sec. 18.31.610. Identification of chemicals of high concern.** The department,  
9                   after consultation with the Department of Health and Social Services, shall publish a  
10                  list of chemicals of high concern to which children are at high risk of potential  
11                  exposure.

12                  **Sec. 18.31.620. Requirements for listing.** (a) Before placing a chemical on  
13                  the list, the department shall determine that the chemical is a chemical of high concern  
14                  and that children are at high risk for potential exposure to the chemical.

(b) To determine that a chemical is a chemical of high concern, the department shall find that the chemical has been identified by a government entity, based on credible scientific evidence, as

(1) a carcinogen, a reproductive toxicant, a developmental toxicant, or an endocrine disruptor:

- (2) persistent, bioaccumulative, and toxic; or
- (3) very persistent and very bioaccumulative.

(c) To determine that there is a high potential for children to be exposed to a chemical of high concern.

(1) biomonitoring studies must demonstrate the presence of the chemical in human breast milk, human urine, or other bodily tissues or fluids;

(2) sampling and analysis must demonstrate the presence of the chemical in household dust, household indoor air, household drinking water, or elsewhere in the home environment; or

(3) the chemical must be an additive to or otherwise present in a consumer product.

**Sec. 18.31.630. Review and revision of list.** The department may periodically review the list and may revise the list by adding a chemical to the list or by removing from the list a chemical that does not satisfy the requirements of AS 18.31.620.

**Sec. 18.31.640. Prohibition.** (a) A person may not, in the course of business, manufacture in the state, sell in the state, offer for sale in the state, or distribute for sale in the state a consumer product that contains a chemical that inhibits flame production if the chemical is on the list or is identified as

- (1) TDCPP (Tris (1,3-dichloro-2-propyl) phosphate);
- (2) TCEP (Tris (2-chloroethyl) phosphate); or
- (3) TCPP (Tris (1-chloro-2-propyl) phosphate).

(b) This section does not apply to a consumer product that a person resells or offers for resale.

**Sec. 18.31.650. Remedies.** (a) A person who violates AS 18.31.640 is liable to the state for a civil penalty that may not exceed

(1) for the first violation, \$1,000 for each day that the violation

1 continues; or

2 (2) for each violation after the first violation, \$2,500 for each day that  
3 the violation continues.

4 (b) Violation of AS 18.31.640 is an unfair trade practice under AS 45.50.471 -  
5 45.50.561, and, in addition to the civil penalty under (a) of this section, the remedies  
6 under AS 45.50.471 - 45.50.561 are available for the violation, except for the civil  
7 penalty under AS 45.50.551(b).

8 **Sec. 18.31.660. Participation in interstate chemicals clearinghouse.** The  
9 department shall participate in an interstate chemicals clearinghouse to

10 (1) assist the department to carry out its responsibilities under  
11 AS 18.31.610 - 18.31.690; and

12 (2) help coordinate the research and education needed to  
13 (A) identify chemicals of high concern to which children are at  
14 high risk of potential exposure; and

15 (B) develop safer alternatives to the chemicals identified under  
16 (A) of this paragraph.

17 **Sec. 18.31.670. Regulations.** The department may adopt regulations under  
18 AS 44.62 (Administrative Procedure Act) to implement AS 18.31.610 - 18.31.690.

19 **Sec. 18.31.690. Definitions.** In AS 18.31.610 - 18.31.690,  
20 (1) "child" means a child who is under three years of age;  
21 (2) "consumer product" means a product used in the home primarily  
22 for or by a child or the parents or guardians of a child; in this paragraph, "product"  
23 includes clothing, toys, detachable car seats, nursing pillows, crib mattresses, nap  
24 pads, and changing pads;

25 (3) "department" means the Department of Environmental  
26 Conservation;

27 (4) "list" means a list published under AS 18.31.610;  
28 (5) "manufacturer" means a person who, in the course of business,  
29 (A) manufactures a consumer product;  
30 (B) affixes a brand name to a consumer product; or  
31 (C) is the importer or first distributor in the United States of a

1 consumer product if the consumer product was imported into the United States  
2 and if the person who manufactured or assembled the consumer product or  
3 whose brand name is affixed to the consumer product does not do business in  
4 the United States; in this subparagraph, "distributor" means a person who sells  
5 consumer products on a wholesale basis to a person for retail sale.

6 \* **Sec. 2.** AS 45.50.471(b) is amended by adding a new paragraph to read:

7 (58) violating AS 18.31.640 (flame-inhibiting chemicals in consumer  
8 products).

9 \* **Sec. 3.** The uncodified law of the State of Alaska is amended by adding a new section to  
10 read:

11 TRANSITION: FIRST LIST OF CHEMICALS. By January 1, 2019, the Department  
12 of Environmental Conservation, in consultation with the Department of Health and Social  
13 Services, shall publish the first list of chemicals under AS 18.31.610, enacted by sec. 1 of this  
14 Act.

15 \* **Sec. 4.** The uncodified law of the State of Alaska is amended by adding a new section to  
16 read:

17 REVISOR'S INSTRUCTION. Wherever "this chapter" appears in AS 18.31.010 -  
18 18.31.500, the revisor of statutes shall substitute "AS 18.31.010 - 18.31.500."

19 \* **Sec. 5.** AS 18.31.640 and 18.31.650, added by sec. 1 of this Act, and  
20 AS 45.50.471(b)(58), added by sec. 2 of this Act, take effect January 1, 2019.
