Subject: SB661!
Date: Wednesday, March 26, 2025 4:32:50 PM

My name is Fawn Silas I am from the village of Nondalton. I have reviewed SB61 and wanted to voice my personal opinion.

I fully support SB61, I care for my community and hope that we can as communities start by recycling electronics from our communities.

We need to start somewhere and this would be a great start.

Thank you!
