Rep. Sarah Hannan, Chair
Legislative Council
Alaska State Capitol

Dear Representative Hannan,

I respectfully write both with apology for last year, and appreciation for continued consistent support over the past six-some decades from the Chairs of 'Ledge Council, except in the post-Covid 2021 environment when we did this project without your consent. But anyway, here's hoping we didn't offend you last year with our brazen parodies to many 2024 policy proposals and legislative mannerisms.

We have since decided to correct our ways by adhering to a whole new approach to the Skits legacy project. We are this year calling it **project SKITS 2025**. It is amazing how much material we are finding supporting a new Development of Gag of Effect. There will also be some "roaring 20s" prohibition flair. Be so advised for recommended attire at this year's event.

We invite you to join us in examining 2025 matters of concern in a satirical manner, during our **63rd** Annual occasion of levity:

**Saturday, April 26, 2025
Centennial Hall
Doors at 6:30 PM, Curtain 7:00 PM**

Pursuant to AS 24.60.080(a), we respectfully request being sanctioned for the 63rd Annual Legislative Skits. After expenses, we are proud to continue offering net proceeds to Big Brothers/Big Sisters [TID: 80-0064172]; and AWARE (Aiding Women in Abuse & Rape Emergencies) [TID: 92-0064944].

Ticket and seating information available in Room 427 of the Capitol.

Thank you for your consideration,

Tim Lamkin, Chair
Alaska Legislative Skits
