

SENATOR JESSE KIEHL

SB 236 ver. R: Disaster Assistance

Sectional Analysis

Sec. 1: Repeals and reenacts a previously existing section in statute without substantive changes so the format is consistent with later sections.

Sec. 2: Increases the maximum amount of state aid to the greater of \$50,000 or half of the federal maximum: currently, the maximum is approximately \$21,000.

Allows a grantee who is a member of a condo association to use state aid to pay for their share of condo-wide damage expenses.
