FISCAL NOTE ANALYSIS

STATE OF ALASKA
2025 LEGISLATIVE SESSION

BILL NO. HB 149

Analysis

HB 149 would require Third-Party Administrators (TPAs) and Pharmacy Benefits Managers (PBMs) to be licensed instead of registered. The bill amends the examination statutes in AS 21.06.120 - 21.06.160 to add pharmacy benefits manager to the list of entities the Director of the Division of Insurance may examine, including thorough coordinated multi-state examinations. It removes an exemption for TPAs that would now subject them to pay the costs of a market conduct examination. The division anticipates current TPAs and PBMs would update to a full license upon the renewal period of their registration, which will allow for the division to process applications on a rolling basis with no additional staff needed.

Regulations to update the terminology of "registration" to "license" will be required. The division would include these changes in other planned regulation packages and does not anticipate fiscal impact from this legislation.
