

# Paul R. Baril, AIA

PRINCIPAL/OWNER

PROJECT ARCHITECT

## BIOGRAPHY

Paul has worked with Nvision Architecture for over 23 years, starting as an intern and now as the owner and president. He is a level-headed and informed decision maker and as the firm's Principal and Owner, Paul is totally committed to the success of the firm's projects, and for this reason he is a hands-on project leader, designer, and administrator. In addition to Paul's demonstrable experience in architectural projects, he also has extensive experience in master planning, urban planning, and being a community leader.

## REPRESENTATIVE PROJECT EXPERIENCE

**Seldovia Clinic, Seldovia.** Project Architect for this recently awarded 4,000 SF new free-standing health clinic that will be built in Seldovia. Clinic will provide a wide range of primary and preventive care services for the local community.

**Upper Tanana Health Center, Tok.** Project Architect for this 16,000 SF new health clinic for the Tanana Chiefs Conference. Completed in 2021, this clinic provides urgent care, primary and specialty care, dental, behavioral health, pharmacy, radiology, and laboratory services. Safety and security features were carefully integrated with high-quality finishes, fixtures, and furnishings.

**SVT Health & Wellness Clinic, Anchor Point.** Project Architect for this 2,600 SF medical clinic for Seldovia Village Tribe. This clinic provides health education and wellness, dental, behavioral health, acupuncture, and massage services to the lower Kenai Peninsula.

**Kodiak Area Native Association Marketplace.** Project Architect for this detailed condition assessment and recommendation report on the original 47,000 GSF AC Store located in Kodiak. 3-D interior and exterior renderings and complete construction documents were provided for a multi-phase core and shell improvement.

**Joann A. Alexie Memorial K-12 School, Atmautluak.** Contract Manager for this new 34,331 SF school that provides instructional, administrative, education support, shop spaces, and mechanical/utility spaces. As with all villages, the school is also a Community Center with many considerations to finishes and lighting made for the flexible use of the gymnasium.

## Additional Project Experience

- Anchorage School District 17 Elementary Schools Secure Vestibule Upgrades
- Christian Health Associates Office Building Tenant Improvements
- Mt. Edgecumbe High School Master Plan and Multiple Renovations and Upgrades
- Boar's Head Warehouse
- Anchorage School District Mears Junior High Siding Replacement

*Tanana Chiefs Conference, Upper Tanana Health Center, Tok, won the 2021 AIA "Professional's Choice Award" for architectural design.*
