Subject: Support for SB 24

Good morning,

I am a new mom and unable to sign up to testify this morning for the hearing on SB 24, but I would like to make sure my voice is noted.

I live in Fairbanks, am a new mom, and I also coach for a competitive swim team. I think it is very important to actively support initiatives and laws that make the world better for the kids that I coach, and my new daughter as she grows up in this community. I know from my step-kids that vaping continues to be a problem in the schools they attend.

I strongly support raising the age to buy/sell/possess nicotine products to the age of 21, and I think we are long overdue in taxing vaping products.

Please support SB 24.

Thank you,
Alyssa Bloom-Keill
