FISCAL NOTE ANALYSIS

STATE OF ALASKA
2024 LEGISLATIVE SESSION

BILL NO. HB 148

Analysis

This legislation eliminates the sunset date and changes the funding allocations for grant distributions under AS 23.15.835(d) for the Alaska Technical and Vocational Education Program (TVEP).

Revenue for TVEP is collected by the Unemployment Insurance (UI) component, and it is required that TVEP revenue cover the costs associated with the collection of the revenue into this program account. The TVEP funding authority for UI was included in the FY2025 Governor's budget. This legislation does not change the authorization needed for the UI component.
